Standard Grants

Standard Grants

Projects financed within Standard Grants should fall within one of the following six categories:

1. cultural cooperation,
2. scientific exchange and research,
3. education,
4. youth exchange,
5. cross-border cooperation or
6. promotion of tourism.

The projects can, however, entail any field of activity (e.g. environmental, social affairs, sports and leisure, media, etc.).

With the exception of cross-border cooperation, entities from at least three Visegrad Group (V4) countries (the Czech Republic, Hungary, Poland and Slovakia) must be involved (e.g. a V4 organizer + at least two V4 partners); it is advised, however, to include partners from all V4 countries. Any organization or natural person in the world (with the exception of institutions directly funded from state budgets) is eligible for the funding provided that the proposed project has "Visegrad" features (for inspiration please see previously [approved projects](#)).
